WINNIPEG YAWL 21 CENTER CONSOLE *ROUGH WATER READY* The Winnipeg Yawl 21 is large enough for comfortable rough-water cruising and small enough to sneak into backwater bays and rivers.

Specifications:

- Hull: Fiberglass. Rough Water Semi-planing, Semi-displacement. Classic Yawl design developed for outboard propulsion
- Color: Blue/Arctic white
- Available with 3 Suzuki Outboards: DF140-140hp (40mph), DF115-115hp (35mph), and DF90-90hp (30mph)
- Length: 20.8ft (6.3m)
- Beam-stern: 69in (175cm)
- Beam-amidships: 84in (213cm)
- Transom height: 20in (51cm)
- Weight-with motor and fuel: 2,770lbs (1,256kg)
- Fuel Capacity: 48gal (182L)
- Bilge Pump: Johnson 2200gpm, auto and manual switches
- Stern rough water splash-well
- Level-Floatation: Closed cell foam chambers in the sides of the hull and stern. Low deck floor provides a low center of gravity and high gunwales. Gives excellent stability on a narrow beam boat.

Included:

Center Console with windshield and frame/grab bar. In-console storage.

SeaStar hydraulic steering with tilt steering wheel. Throttle and shift binnacle.

Seating: 6

- 2: Leaning post with footrest, 4 rocket launcher rod holders, seat storage compartment with dry storage box.
- 1: Bow pedestal folding seat.
- 1: Stern starboard seat with easy access battery and main switch compartment.
- 2: Front center-console seating. Easy-removeable RTIC 52-quart Ultra-Lite Cooler with cushion and backrest.

Live well with aerator: Cooler doubles as live well, includes aerator.

Electrical

- Battery: Interstate Marine Dual Purpose AGM, Group 27, 850 Cold Cranking Amps (CCA).
